

WRITTEN AT THE HOUR THE LIGHT CHANGES

. . .

god's the hypnotist
A LETTER TO MY SOUL

My Fathers, My Great Mothers:
who art of and within Saint Breven,

Glory is our names. Names. Names.

Thine Kingdoms comes, now; come—come thusforth;

Thine will, will, will be done,

On earth as we are in the heavens.

Give me this day our daily blood.

Wash clean our sins,

And let us forget those sins attempted against us.

Lead us never into temptation against You, O Gods.

Deliver us! Deliver us!

For the kingdoms, our power, and our glory

Are yours now and forever.

Om. InshaAllah.

Κόγξ Όμπαξ.

Κόγξ Όμπαξ.

Κόγξ Όμπαξ

Amen.

with all this tenderness i have to give

Hail Mary, full of GR ♡ CE

*hail mary, mary, mary
the lord is with thee
blessed us among women
blessed is the fruit of a new jesus
holy mary mother of gods, of sons, of holy ones
blessed art thou; blessed art thou
honor the chosen one
now
now
now
never in any hour of death
only by choosing, choosing, choice.*

*dye by light,
dye by strength. om.*

*[Allusions: "Hail Mary" Catholic prayer (Luke 1:28, 1:42); alchemical symbol for salt (▽);
Hindu sacred syllable "om"; concept of divine choice vs. predestination]*

The Creed of the Left.

i bell-eve in this god, father, mother, i almightied,
creators, creators, of this all all all.

i believed in christ, am a-1. a sun. a lord.
replete, lovingly, holier, consummate by my holy spirits...
born from a mary, born from an unknown david,
suffering under this skewed and crooked place,
countless crucifixions, dyeing, dyeing, berried,
descending, fallen, insane descent, holy resurrection:
a new heroic rising rising rising of 22s... of magix.
ascensions, ascending blood and ash or dust
right hand of god? no, know: im severe, on the Left:
did u break me?
did u?
on a libra throne, i rule,, , , tha living, the dead

funeral liez:

I KNOW THE HOLY GHOSTS
I BELL_EVE IN MY HOLY SANCTUARY
THE COMMUNION OF US SAINTZ
NO FORGIVENESSES OF SINS,
JUST PROPER WILLS
I RESURRECT MY BODY,
NOW

LYFE

LYFE

LYFE<>>>> EVER~LASTINGS. A-fuckin'-menn.
